DELIVERING THE BEST START: A GUIDE TO EARLY YEARS LIBRARIES

Facet Publishing. Paperback. Book Condition: new. BRAND NEW, Delivering the Best Start: A Guide to Early Years Libraries, Carolynn Rankin, Avril Brock, The Early Years Foundation Stage (EYFS) is now statutory in the UK for children from birth to five years, and other countries are experiencing similar developments; early years librarians, teachers, nursery nurses, playgroup leaders and childminders all require knowledge of how to promote and encourage communication, language and literary skills. Parental reading with young children is clearly vitally important, and libraries are uniquely placed to support the development of literacy skills in pre-school children. This book provides an understanding of how children develop such skills through enjoyable and meaningful learning experiences, and is a pioneering practical guide for library and information professionals involved in planning and delivering services in early years libraries. Drawing on the authors' underpinning contemporary research and examples from current best practice, it will equip practitioners with a broad range of knowledge and ideas. Key areas covered include: * take them to the library: the role of the early years professional * people and partnerships: working across interdisciplinary boundaries, and how to involve parents and carers * buildings, design and space: the children's libraries of the future * resources for early years libraries: books, toys and other delights * reaching your audience: the librarian's role * planning and organizing: projects and reading sessions. User-friendly and accessible, each chapter is clearly structured and sets out the key issues for practitioners, scenarios offering insights into these, and practical ideas and resources for service provision. The book also includes case studies of successful pre-school library initiatives in a variety of global settings, useful information about relevant organizations, and links to helpful websites. This valuable text is essential reading for all library and information professionals working with young children...
