Researchers at Minneapolis-based Search Institute have identified 40 Developmental Assets that all kids need in their lives--good things like family support, a caring neighborhood, and resistance skills. Communities across the nation have embraced the book s quick-read, commonsense suggestions for helping kids lead healthy, productive, positive lives and stay out of trouble. This revised and updated third edition draws on findings from a 2010 survey of about 90,000 kids (grades 6-12) from communities across the United States.
