Alfred Publishing Co., Inc., United States, 2002. Sheet music. Book Condition: New. 279 x 229 mm. Language: English . Brand New Book. What could be cuter than a koala bear? A piano solo about a koala bear! This elementary solo by Carol Matz reinforces simple note values, sharps, and legato and staccato touches. In addition, students learn about the eating habits of koala bears through the lyrics of the solo. An optional teacher/parent duet provides harmonic interest and aids the student in keeping a steady tempo.
