## The Great African Land Grab?: Agricultural Investments and the Global Food System

By Lorenzo Cotula

Zed Books Ltd. Paperback. Book Condition: new. BRAND NEW, The Great African Land Grab?: Agricultural Investments and the Global Food System, Lorenzo Cotula, Over the past few years, large-scale land acquisitions in Africa have stoked controversy, making headlines in media reports across the world. Land that only a short time ago seemed of little outside interest is now being sought by international investors to the tune of hundreds of thousands of hectares. Private-sector expectations of higher world food and commodity prices and government concerns about longer-term national food and energy security have both made land a more attractive asset. Dubbed 'land grabs' in the media, large-scale land acquisitions have become one of the most talked about and contentious topics amongst those studying, working in or writing about Africa. Some commentators have welcomed this trend as a bearer of new livelihood opportunities. Others have countered by pointing to negative social impacts, including loss of local land rights, threats to local food security and the risk that large-scale investments may marginalize family farming. Lorenzo Cotula, a leading expert in the field, casts a critical eye over the most reliable evidence on this hotly contested topic, examining the implications of land deals in...
