Createspace, United States, 2011. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.[Mardukite Heritage Edition: A reissue of an otherwise cycled out-of-print edition kept available for review and posterity as part of the developmental legacy of the Mardukite Research Organization, founded 2008.] After spending nearly two decades in the underground, prolific writer and founder of the Mardukite Research Organization, Joshua Free, brings together a beautifully crafted introduction to the core archaeological, anthropological and mystical points of Babylonian Magick in history and practice -- the infamous post-Sumerian Anunnaki Tradition. This amazingly informative compendium of these topics not only provides evidence for the basis of a modern revival, but proves just how relevant the pursuit of these mysteries really are. Two classic Mardukite texts, Babylonian Myth Magic (Liber 51) and The Book of Marduk by Nabu (Liber W) are combined to form the most concise primer to Babylonian Magick available to the public! BABYLONIAN MYTH MAGIC (Liber 51) is unparalleled in displaying the post-Sumerian mystery tradition of the ancient Babylonians, now accessibly comprehensible to any seeker for the first time in modern history. Revealed within are the very methods by which Babylon rose to power from seemingly prehistoric nothingness and how these very real systems born in the Ancient Near East are still with us today! This highly innovative work drives the emphasis home that memory of past and future are one, and uncovering the truth of yesterday will provide a stronger tomorrow! THE BOOK OF MARDUK BY NABU (Liber W) is the original Anunnaki devotional companion of the modern revival organization known as the Mardukite Chamberlains; a long-lost out-of-print contemporary tablet collection that paved the way for intensive research and experimentation, essentially comprising the internal methods of the Order of Nabu...
