Brand New Book ***** Print on Demand *****.Stephen Leacock was one of the most popular writers in the world in the early 20th century, and the Canadian writer was best known for his humorous works. This is a biography of the famous French explorer Jacques Cartier. At the waist, on the left side, hangs a sword, and, on the right, close to the belt, the dirk or poniard of the period. How like or unlike the features of Cartier this picture in the town hall may be, we have no means of telling. Painted probably in 1839, it has hung there for more than seventy years, and the record of the earlier prints or drawings from which its artist drew his inspiration no longer survives. We know,...
