

Greyhound Handicapping Series Books 1-3: Sixty Short Articles, Nine Mini-Systems and Links to Handicapping Resources

By Eb Netr

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Greyhound handicapping is an art, not a science. Dog racing is a puzzle and the more pieces you have, the easier it is to put it all together and see the big picture. Eb doesn't claim to be an expert, just someone who has put in a lot of time and effort to learn the art of handicapping greyhound races. Eb has been researching United States greyhound tracks for over four decades and shares the knowledge he's gained with race fans who want to win more and lose less at the greyhound track. Book 1 starts with an article about what works and what doesn't at the greyhound track and ends the article section with a look at insider tips and how they can help you win. In between those articles, you'll find Eb's opinions about form, speed, whether you should bet on dogs that are moving up or moving down, whether kennel statistics matter and how age affects the racing greyhound. Following the articles, there are three mini systems that are a...
