Peter Owen. 1 Paperback(s), 2013. soft. Book Condition: New. Despite being one of England's great novelists, and her work already having been widely studied, Virginia Woolf herself remained largely an enigma before the appearance of this 1972 book, a collective profile of the author composed of memoirs and anecdotes by those who knew her. Many pieces were specially written for the original edition, including impressions by Duncan Grant, Rebecca West, and T.S. Eliot, while perhaps its most famous piece, by a member of her household staff, movingly describes Woolf on the day of her death. "The tantalizingly brief, strongly personal recollections of a fascinating bunch of characters tell us far more than any other biography."Daily Mail 207.
