ADSORPTION: SCIENCE AND TECHNOLOGY

Springer, Netherlands, 2011. Paperback. Book Condition: New. 235 x 155 mm. Language: English . Brand New Book ***** Print on Demand *****.Adsorption processes have experienced a significant growth in the last decades. This growth was a result of scientific and technological advances which generated new adsorbents as well as new concepts for processing systems (UOP s Sorbex process and PSA cycles). The expectations for a continued development of adsorption are high since process engineering is deeply concerned with intensive processes...
