Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Vintage Couture Baggage better known as VCB. It s a concept, a lifestyle; Sex in the City with an urban twist. It s a productive, forward thinking group of likeminded Divas, who empower themselves with their life lessons. It s for the passionate, strong, classy ladies who carry their spiritual, emotional, and physical baggage with dignity and integrity. Lets face it, life happens and we make it happen, through it all adding to the baggage that is our life, with as much dignity and integrity as we could muster. All the while, we plaster on the smile, honoring the tears, and looking fabulous every step of the way. This book is a collection of poems and the events, people, and experiences that have inspired them to fruition. This is my baggage, and I honor it. At the end of what I say is the beginning of another journey, you will find blank pages that lend themselves to expressing your own similar journey or experience. Let us embark together on this journey called life, acknowledging the baggage, and by doing so accepting its lesson, and honoring the process. Jennings C.
