Home Self-Defense

By James Nugent

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This is not a book about how to use shot guns and other weapons when intruders evade your living space. There are plenty of books addressing the practical and legal aspects of that kind of defense. This is a book about more passive ways to be safe in your home. This book talks about strategies for keeping the bad guys out and what you might do if they get in. Introduction Home self-defense is not something we like to think about. We like to think of ourselves as safe when come home and shut the door. I personally don't want to injure or kill anybody even if they are an intruder. Still there are more and more stories in the news about people being killed in the own homes by intruders. Just last night there was home security video on the National News of two men breaking into an occupied home. They armed themselves with kitchen knives and went upstairs to do who knows what to a grandmother and child. Somehow the grandma and child retreated to...
