

## The Warriors Honor: Ethnic War and the Modern Conscience

By Michael Ignatieff

St. Martins Press-3pl. Paperback. Book Condition: New. Paperback. 228 pages. Dimensions: 8.2in. x 5.6in. x 0.7in. Since the early 1990s, Michael Ignatieff has traveled the world's war zones, from Bosnia to the West Bank, from Afghanistan to central Africa. *The Warriors Honor* is a report and a reflection on what he has seen in the places where ethnic war has become a way of life. Ignatieff charts the rise of the new moral interventionists--the relief workers, reporters, delegates, and diplomats who believe that other peoples' misery is of concern to us all. And he brings us face-to-face with the new ethnic warriors--the warlords, gunmen, and paramilitaries--who have escalated postmodern war to an unprecedented level of savagery. Hard-hitting and passionate, *The Warriors Honor* is a profound and searching exploration of the perils and obligations of moral citizenship in a world scarred by war and genocide. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
