Tate Publishing Enterprises, United States, 2014. Paperback. Book Condition: New. 175 x 127 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The book EARTH WALK is truly amazing and is going to change the world. My name is ANTHONY ROBSON and I m the author; the book was delivered to me from a voice that told me what to write. The voice awoken me in the middle of my sleep and demanded I write down what it said; so I did. A spirit has taken over a murderer s body, and his primary spirit who resides inside the murderer, is defenseless to the more dominating entity. This book has changed my life inside un-imaginable ways. The entity who entered the convicted murderer s body was known to the entire world as the walker. The walker must witness and record all events around the world. Titles of the book are: walker, walker on parole, The Transformation, The dead have Questions, Global management, Endangered Glaciers, Thunder battle, The dead have permission, The separation, Distruction of Education and many more chapters unmissioned. Let me share a few lines with you my reader.ch-1 9013, A book was discovered, incased inside a an iron made casket which dated 2013. Ch-11 Dead have permission, Walker you have returned for us all huh? Yes brothers and sisters, your time approaches very quickly. Ch-15 Thunder Battle, They battled for the earth; the fight was electrifying with forces of voltage that cracked the ground seven inches deep, frying the grass and earth worms. I can insure you will find this book very entertaining and enjoyable; I have many wonderful visions to show the world. My next book is coming soon and I wrote the book for all the women on earth; hope you enjoy!.
