Brand New Book ***** Print on Demand *****.This historic book may have numerous typos and missing text. Purchasers can usually download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1900 edition. Excerpt: . CHAPTER XIV. GYMNASTICS. Primitive nations can dispense with physical training-schools as the creatures of the wilderness dispense with houses and clothes, but citydwellers need a substitute for the lost opportunities of outdoor exercise. Mental culture and gymnastics should be as inseparable as body and soul. It is impossible to repress luxury by legislation, says Solon in Lucian s Dialogues of Anacharsis, but its influence may be counteracted by athletic games, which invigorate the body and give a martial character to the amusements of our young men. And that remedial use of gymnastics requires the supervision of an expert teacher. It is not enough to provide an assortment of trainingschool apparatus and trust visitors to use it to good advantage. We might as well establish a DEGREESfree public drug-store and invite patients to come in and help themselves. I have seen athletics on the Let-Alone plan tried in a city park, and remember the results in the case of novices who got discouraged the first day by disfiguring accidents, and of others who contracted dyspepsia by exercising directly after dinner. A well-developed system of physical culture offers remedies for almost every disorder of the human organism, and for all but the most hopeless malformations. As a preliminary, gymnasium pupils should be advised to postpone the principal meal of the day (call it supper or dinner) to the late afternoon, and at least half an hour after the conclusion of their exercises. Violent muscular efforts...
