Bibliogov, United States, 2013. Paperback. Book Condition: New. 246 x 189 mm. Language: English . Brand New Book ***** Print on Demand *****.TRICARE Reserve Select (TRS) provides certain members of the Selected Reserve--reservists considered essential to wartime missions--with the ability to purchase health care coverage under the Department of Defense s (DOD) TRICARE program after their active duty coverage expires. TRS is similar to TRICARE Standard, a fee-for-service option, and TRICARE Extra, a preferred provider option. The National Defense Authorization Act for Fiscal Year 2008 directed GAO to review TRS education and access to care for TRS beneficiaries. This report examines (1) how DOD ensures that members of the Selected Reserve are informed about TRS and (2) how DOD monitors and evaluates access to civilian providers for TRS beneficiaries. GAO reviewed and analyzed documents and evaluated an analysis of claims conducted by DOD. GAO also interviewed officials with the TRICARE Management Activity (TMA), the DOD entity responsible for managing TRICARE; the regional TRICARE contractors; the Office of Reserve Affairs; and the seven reserve components.
