Reverend Captain Daniel W Merrick PhD is no stranger to government or economics with a long standing family history in law and government and his first book Instructions To Money From Welfare To Millionaire. As Dan saw the misfortune of government policies erode the economy since he first wrote that book, he has been an advocate for small business and personal liberties. His motivational methods along with his call for political reforms, has awarded him a visit to the White House as well as a seat at the table on ideas for better government and business policies. This book is Dans best solutions for the problems that cause great debate in Washington DC. Dan shows how government can solve problems rather than create them and foster achievement and freedom with a totally different REESA Solution. Dan says If we are going to save the American economy, get this book in the hands of your senator, congress member, and every politician that will read it and apply its tools. In every conversation with the American people, after Dan explained this idea and solution to them, they have asked him to run for President and pledged their vote to him. This is the reaction that inspired Dan to write this book, and set the goal of getting its ideas into the heads of every politician and leader in the hopes of economic recovery and restoring personal liberty to We The People. Dan shows in this book how governments and businesses can use these tried and true methods to overcome finance and funding problems through innovative and creative use of techniques that have helped build America for over 400 years and...
