GRAY HEARTS AND GREENBACKS

Gray Hearts and Greenbacks, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Gray Hearts and Greenbacks, is filled with corruption from beginning to end. It grew out of the general societal discontent of our time. Elites of government, religion, finance and almost every other anchoring element of society have come to be seen by ordinary citizens as corrupt and that the game they re in is rigged against them by these outside forces. He comes under the influence of a mentor, a decadent dilettante member of the enterprise, and becomes convinced that he can navigate the dangerous rapids before him, including avoiding prison and thriving as a criminally enriched but now honorable appearing member of society. The book provides insight into the great recession from which we are just now emerging and examines the nature of the American...
