Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.In this book you will find prose which talks to the very souls of women. It offers women the opportunities to search out and explore their souls to create a better way of living for themselves and those around them. This book will help women see that they can have wonderful lives simply by looking into themselves and changing those things in their lives that they recognize need changing. Ladies, as you read the words found within the covers of this book of jewels, you will discover that you have more strength than you ever realized you have. Along with the prose, you will also find poetry that shouldn't be seen as explicit though some is written with explicitly graphic language, but instead see it as that which will stimulate you in ways that will bring about conversations that will allow each individual to explore his or her own emotions; for the only thing one needs to start long and meaningful conversations is a stimulus which can be found throughout this book of prose and what I call Conversational Poetry. This book as well, will enable you to share with others the wonders of the varied emotional peaks and valleys which flow throughout all lives. What is conversational poetry? Conversational poetry is exactly what it says. It is poetry which provides the stimulus for communication and meaningful conversations. Poems such as Queen Precious, Pretty Woman and I Don't Kiss and Tell speak to the lack of understanding between women and men, while expressing the unnecessary hurt and pain women tend to experience in their emotional and physical relationships by allowing themselves to become pawns for men...
