Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.THERE is a process used for printing pictures in colour which involves the making of separate blocks for each elementary component colour in the picture. The prints from each of these blocks are superimposed on each other, and if the relative strength of each colour is correct, the result is quite natural. If, however, anyone shade is too weak, then there is a corresponding defect in final rendering of the true colour, which might perhaps be corrected by an extra printing of the weak component. Now, the purpose of these pages is something like that of the extra printing. It is not that the standard presentation of mental prayer is defective, but it would seem that the impression of mental prayer that many souls have received needs to be strengthened in certain colours. That purpose explains the irregular extent of treatment which the reader will notice in these pages. The subject of methodical meditation is only outlined, as there are more than enough excellent books dealing with it in great detail. Besides, the souls for whom this book...
