Wayne M. Thomas, United States, 2012. Paperback. Book Condition: New. 230 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Walden Today is about creating personal freedom and making a living in a time where there is less job security, fewer jobs, less trust in government and corporations--and more need to rely on yourself to survive. They were living through a huge real estate bubble that popped and took half the banks with it because of...
