This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

SPIRITUAL MAN VS NATURAL MAN

Createspace, United States, 2010. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Natural Man has a void in his life which if he cannot fill with the spirit of God, he fills with his emotions which will cause him to project negative acts. In comparing the views of Man's make-up with Pajet, Maslow and other psychological theories, there is a comparison between their theories and God's creation of man's mind. Man is shown why he has to become the Spiritual Man, how man understands the Trinity, God, Jesus, the Holy Spirit and Satan and how these each have forces that are a part of man. Man cannot control these forces without help from God nor can he understand what makes him act in any way if he does not understand why he was created and his obligation to other men. It shows man has a choice.
