Earth Economics: In Introduction to Demand Management, Long-Run Growth and Global Economic Governance

By Peter A. G. Bergeijk

Edward Elgar Publishing Ltd. Paperback. Book Condition: new. BRAND NEW, Earth Economics: In Introduction to Demand Management, Long-Run Growth and Global Economic Governance, Peter A. G. Bergeijk, Taking stock of emerging planet data and analysing policies during the global crisis, Earth Economics provides a comprehensive and accessible introduction to basic macroeconomic concepts, methods and principles, and their application to real world data. Written principally for students seeking an introduction to macroeconomics, this book offers a completely new angle to policy, with a focus on the truly global level. Underpinned by empirical orientation of state-of-the-art data, it introduces earth economics as the study of the economy of our planet from the perspective of an autarkic system (a 'closed economy'), focussing on policymaking that improves global rather than national welfare. Key features include: A discourse on issues fundamental to the understanding of macroeconomics. An introduction to economists' tools and concepts. Non-economists will learn how to survive in a discussion with economists: where to ask questions, where to listen, where to skip and where to ignore. Presentation of extensive and wide-ranging data in a consistent and comprehensive framework. In-depth treatment of key concepts including: aggregates, autarky, closed economies, current accounts. earth economics. data....

Reviews

This ebook is definitely not simple to begin on reading but really enjoyable to read through. This really is for all who state that there had not been a worth reading. You may like how the author publish this ebook.
