Hertfordshire Press, United Kingdom, 2014. Paperback. Book Condition: New. Winner Work ed.. 210 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Man of the Mountains is a book about a young Muslim Chechen boy, Zaur who becomes a central figure representing the fight of local indigenous people against both the Russians invading the country and Islamic radicals trying to take a leverage of the situation, using it to push their narrow political agenda on the eve of collapse of the USSR. But few know about the resistance movement from the local intellectuals and moderates against radical Islamists taking strong hold in the area. Man of the Mountains offers a deeper look at the growing influence of Islamic radicals in the Caucasus, particularly in the northern part where the author is from, and its philosophy and operational tools on the ground.
