There are few things more rewarding than sitting down to enjoy a delicious meal made with fruits, vegetables, eggs, or honey harvested right outside your back door. This gorgeous kitchen gardening cookbook is filled with simple and inspiring recipes as well as practical, useful information for anyone interested in growing the foods they love to eat. There are few things more rewarding than sitting down to enjoy a delicious meal made with fruits, vegetables, eggs, or honey harvested right outside your back door. This gorgeous cookbook is filled with inspiring recipes as well as practical information for anyone interested in growing the foods they love to eat. Little can match the pleasure of sitting down for a meal at a table laden with fruits, vegetables, or herbs from your own garden, along with eggs and honey from hand-raised chickens and bees. Whether you are an avid gardener with raised beds and a flock of chickens; grow a few herbs in pots on the kitchen windowsill; or purchase your seasonal ingredients from local farmers markets, you ll find fresh ideas for cooking and gardening inside these pages. With a focus on the greatest hits of a classic edible plot tomatoes, carrots, zucchini, and berries, to name a few author Jeanne Kelley guides you through the seasons of the garden and shows you how to plan and plant more than 40 different types of herbs, vegetables, and fruits, and to ensure that they thrive. For the more ambitious, Jeanne also gives tips and advice on raising chickens and keeping bees in your own backyard. But this book is about much more than planting a kitchen garden and cultivating wholesome food at home....
