Right Brain Dolch Second Grade Sight Word Cards

By Dianne Craft

Child Diagnostics, Inc. / Dianne Craft, 2015. Softcover. Book Condition: New. Do you have students who are struggling to memorize their sight words? Stop the struggle! Learn sight words easily with Right Brain Sight Words Cards. Students effortlessly learn to read and spell these sight words because the imagery on the words causes it to stick in their long term memory. This enables them not only to remember the name of the word, but also to SPELL the word from memory. Many of your students will easily spell the word forwards and backwards, although this isn't necessary. This has often been called a universal learning method because it's easy to use for even the most struggling learner. It helps students tap into their natural photographic memory. This method of learning works wonderfully with students of all ages and abilities. . Kindergarten teachers can give their students a real ?leg up? in learning the early sight words. . First grade teachers use this method to ensure that all their students learn the basic sight words by the end of the year. . Second and third grade teachers use it for those students who are reading below grade level. . ESL teachers...
