

Tschiffelys Ride Ten Thousand Miles in the Saddle from Southern Cross to Pole Star

Filesize: 8.38 MB

Reviews

I actually started off looking at this pdf. It is one of the most amazing pdf i have got read. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Milford Donnelly)

Skyhorse Publishing. Paperback. Book Condition: New. Paperback. 392 pages. Dimensions: 8.9in. x 6.0in. x 1.2in. From the southeast coast of South America through an expanse of Peruvian sands en route to the West Coast, then onward through Central American jungles and rainforest, and finally to New York, Tschiffelys journey was considered impossible and absurd by many newspaper writers in 1925. However, after two and a half years on horseback with two of his trusty and tough steeds, this daring trekker lived to tell his best-selling tale. Tschiffelys 10, 000-mile journey was filled with adventure and triumph, but it also forced the traveler to deal with tremendous natural and man-made obstacles, as many countries in Central America were war-torn. He traversed rivers and mountains in hurricanes and hail storms, stopping to stay the night with farmers and villagers in huts who often shared their mysterious and superstitious tales. He ate dried goats meat in a desolate town of Santiago del Estero, watched illegal cockfights and vicious machete battles between plantation workers in Jujuy, and was healed by an Indian herb doctor in the mountains of Bolivia for his infection after excavating graves; these obstacles have captured the hearts of people from around the world. In addition to the remarkable details of his travel expedition, Tschiffelys relationship with his horses, Mancha and Gato, is perhaps the most endearing element of the book, and his photos of the people and places he encountered make Tschiffelys Ride the perfect travel companion for adventure enthusiasts. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
