*This book may be worth purchasing. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

SAVAGE BLOOD

Cornerstone. Paperback. Book Condition: new. BRAND NEW, Savage Blood, Alex Chance, In Atlanta, Charlie Cortez MD diagnoses his mistress with an unknown neurodegenerative disease that is inducing violent and bloody psychosis. The apparent cause? Consumption of infected human flesh. In Vienna, Dr. Reeta Kapoor, eminent anthropologist, is forced to travel to a remote Indian archipelago in order to rescue her brother - he has become embroiled in a plot to thwart the colonization of a mysterious and scarcely contacted native tribe and is in grave danger. In Dubai, Kelly Maelzel, in-demand Australian zoologist, is blackmailed into accepting a new job - protecting the visitors to a strange new project. A millionaire philanthropist has created a game reserve where the livestock are particularly violent, unpredictable and human. The link: Savage Island, a four-day eastward sail from Chennai and home to the most fearsome legend in the Bay of Bengal; a cannibalistic tribe of natives who ritually destroy anyone unfortunate or foolish enough to set foot on their tropical paradise island. But one megalomaniac wants to sell that paradise to the world. Unfortunately, the natives have other ideas.
