By David Sullivan

Brand New Book ***** Print on Demand *****.The Power of Light Vibrations, years ago I was crippled in an accident; doctors told me that I would never walk. This book is the result of the research that helped me to overcome the odds and walk again. It is a new way to improve your health and situation using the positive energy that surrounds us. Similar books like this are missing a critical part; understanding and using the energy obtained in Light Vibrations is the essential key in making it work. It includes several charts, and sections on the Law of Attraction, Positive Thinking, Words of Power, Six Secrets of Success, Seven Steps of Reality, and the Eight Steps to Healthy and Motivational Living, including several other psychological teachings from my studies and collective works found in the philosophy of Empirical Truth.
