FORTY-TWO MONTHS AND TEN TOES: THE PERFECT JEWISH CALENDAR

Trafford Publishing, Canada, 2014. Paperback. Book Condition: New. 226 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.This book is a combined fictional novel and factual documentary. The novel depicts two Jewish teenagers who face life-threatening experiences. Their intense infatuation is tempered by the unwavering love of a Jewish father steeped in the traditions of the Great Sanhedrin. The factual elements primarily explore the relationship between the Jewish Calendar and the entire visitation of Yeshua (Jesus) the Jewish Messiah on this earth. The term Forty-Two in the title refers to the 3 1/2-year time-span of Jesus ministry, while Ten Toes refers to prophetic views of the end-time. Few would read a book containing only facts and statistics, so the author combined credible fictional narratives with actual events in the New Testament, and supported them with extensive documentation. Long held Church traditions are replaced by Jewish first-century alternatives. Of special interest is the manner in which the Jewish Exodus Calendar, historic facts and the many prophecies given in the Tanakh (Old Testament) bring unanimity to the Jewish Festivals. The Jewish Calendar is revealed as prophetically perfect, and therefore superior to the recently extolled Mayan calendar. The reader is encouraged to read the book either as a novel or for research and analysis. Most readers will find it rewarding to combine the two. This book will inform, inspire, or possibly agitate the reader, whether he or she is a Torah Jew, a Messianic Believer, or an Atheist.
